

## Modulock Pedestal Supports

### *Timber Decking, made easy*

The new self levelling 'Timber Decking' head, which is a universal head for all types of wood joists.

New stops to lock the head, and prevent it from rotating

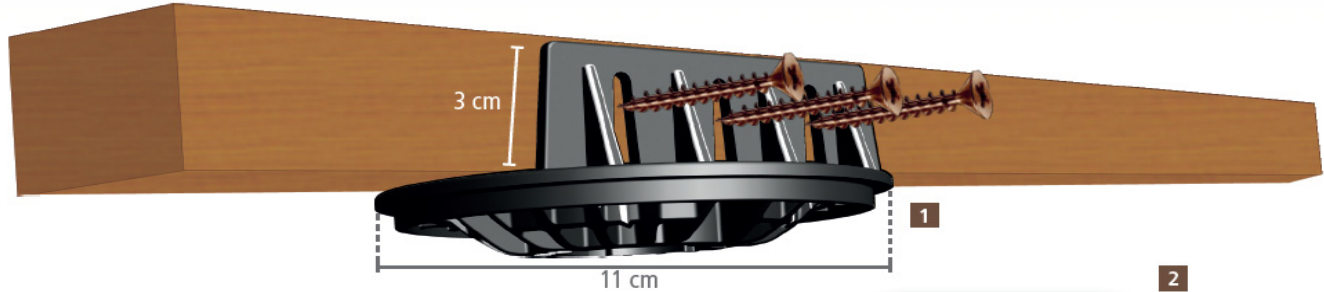

- A new universal head for all types of wood joists
- A Self -levelling flat head for wood joists
- New Locking system to stop head rotation
- Adjust pedestal height by turning the base
- Ideally for all types of decking applications
